1. The following information on the Polish 22d Light Arty Regt in ZUELLICHAU (O 53/W 41) was secured up to 22 June 1949:
- Subordination: 5th Inf Div whose Hqs was located in POZNAN (P 53/I 26)
- Organization: Three battalions of three batteries each. Each battery had about 70 men.
- Armament: Each battalion had eight 76-mm guns and four 122-mm guns
- Motor vehicles: Each battalion was equipped with 18 trucks.
- Other units: 13th Inf Regt and 15th Inf Regt, whose location and subordination could not be ascertained.

25X1A Comment: The report appears credible because the 22d Light Arty Regt is an organic component of the 5th Inf Div and because the artillery regiment of the 5th "Saxon" Inf Div was, according to newspapers, located in the GELENBERG-ZUELLICHAU area in June 1949. The 13th and the 15th Inf Regt also belong to the 5th Inf Div.
